Dear Colleague

**Annual BSNR Meeting**  
**In Newcastle 7<sup>th</sup> & 8<sup>th</sup> October 2011**

We are delighted to host the next annual meeting of the BSNR in Newcastle on 7<sup>th</sup> and 8<sup>th</sup> of October 2011. The organising committee has planned an interesting academic programme and exciting social events during the conference. The academic programme includes a joint session on Friday afternoon with Association of British Neurologists, and this should be a particular highlight. We are also fortunate that several international speakers have accepted our invitation to participate in the meeting. The James Bull Lecture will be delivered by the eminent geneticist, Professor Sir John Burn.

We have developed an interactive conference website [www.bsnrconference.co.uk](http://www.bsnrconference.co.uk) which will go live on 1 April 2011. You will be able to find all the details about the conference on the website and will be able to register and submit abstracts through the website. Final date for submission of abstracts is 26/08/2011. The plan is to update the website at regular intervals to keep you informed of the developments. Please visit it at regular intervals.

The conference hotel is the Hilton on the Quayside. This is a 5 star luxury hotel with excellent conference and leisure facilities. Please book your accommodation directly with the hotel on 0191 4909707.

We have also arranged an excellent social program. On Friday night, we will visit Durham Cathedral and on returning to Newcastle, we have planned a tour of the Newcastle Quayside to experience the famous "nightlife". The conference dinner on Saturday night will be a black tie event at the hotel. You will be entertained by local musicians at both events.

Success of this meeting will depend on you and the organising committee would like as many of you as possible to attend this event. We will be happy to help you in any way we can. If you have any queries, please contact Michelle Gibson on 0191 2825453 or by email on [michelle.gibson@nuth.nhs.uk](mailto:michelle.gibson@nuth.nhs.uk).

Kind regards

Yours sincerely

Dr A Gholkar, OBE  
Consultant Neuroradiologist

Dr D Birchall  
Consultant Neuroradiologist
