Dr Robin Sellar

(There will be no formal coffee/tea break- coffee/tea will be available throughout)

6 CME's allocated

Codman Technical Fayre will be held Friday am

Dear Delegate,

This is the last of the first update/educational/state-of –the-art programme.

We have covered: aneurysms, all aspects of subarachnoid haemorrhage, arteriovenous malformations, cranial dural fistulas and vascular skull base tumours and all aspects of ischaemic stroke/cerebrovascular occlusive disease.

The programme will be repeated and updated starting next year.

All welcome. We hope to see you again!

Dr Shelley Renowden

Chairman, UKNG Education

We wish to thank our sponsors:
